Proper Disposal Alert: Lithium-Ion Batteries

Lithium-ion batteries are a type of rechargeable battery that power everyday items such as smartphones, laptops, cameras, power tools, portable power banks, and electric bikes. These batteries contain flammable electrolyte vapours that, if damaged can lead to explosions and fires.

Lithium-ion batteries can be disposed of at the Elma Landfill (7080 Road 166, Atwood) or find another facility by visiting <https://www.call2recycle.ca> and inputting your postal code.

Find a disposal facility!

TOASTMASTERS
INTERNATIONAL

TOASTMASTERS

Do you freeze anytime your boss asks you a question at a meeting? Are you filled with fear when you have to stand at the front of a room and lead a group through a presentation? Are you dreading the thought

of making a speech at a wedding you're attending in a few months? If this describes you, chances are - you are afraid of public speaking! (as are MOST of us). Joining Toastmasters gives you the chance to practice speaking in front of a group of people so you can start to feel more comfortable speaking in front of others. We offer a very friendly, laid back environment to practice in, and have a lot of fun in the process. Meetings are every Thursday evening at 7:14 p.m. in the Community Room of St Pauls Lutheran Church, 505 Wallace Ave North, Listowel. Msg us on Facebook for details (Linguists of Listowel) Or message Darren Martin directly at 519-616-0171 or
