North Perth Fire Department responds to a Fire at the Listowel Memorial Hospital

North Perth, May 28, 2024 – At 09:28 this morning, the North Perth Fire Department responded to a call at Listowel Memorial Hospital. All three fire stations were dispatched to the scene.

The fire was contained to the room of origin, located in the north wing of the second floor, which is currently undergoing construction. There were no injuries as a result of this incident.

The fire was related to electrical equipment. The property has since been released to the Listowel Memorial Hospital, and our crews have returned to their respective stations.

We extend our gratitude to the swift response and collaboration of our firefighters, our local OPP, as well as the hospital staff for their cooperation during this event.
